

The Cardinal

Volume No. IV, No. 1

ELLENDALE, NORTH DAKOTA

September 29, 1953

Sports

In the first football game of the season played at LaMoure Friday, September 19, the Cardinals were beaten 25 - 7. The game got off to a bad start for Ellendale, with LaMoure scoring a touchdown on the first play. The only touchdown for Ellendale was made on a forty-five yard run by Ned Leiby, who picked up a fumble in the LaMoure battlefield and ran for the touchdown. Bob Jury then kicked the extra point.

Cal Dathe, Ellendale's mainstay at right guard, received a torn kidney and will be out of football for the rest of the season. The team will miss Cal at guard.

Gentzkow was the hero for LaMoure, scoring three of the four touchdowns and kicking an extra point. Cal Christopherson scored the other touchdown.

The Cardinals have five returning lettermen this year. They are Calvin Dathe, Bob Jury, Harlen Stahlacker, Robert Schaller, and Dick Schonberger. There are twenty-two men in all out for football, most of them Juniors and Sophomores and four freshmen.

The Cardinals put up a good fight even though they were lacking experience and size. The next game will be against the Lisbon Bronchos Friday, September 25, here. Come out and back up your team and give them full support. They will appreciate it.

Library

There shouldn't be any excuse for not having enough material for book reports now. The library purchased twenty new books this summer. The books should be of interest to everyone, since they cover many different fields of knowledge as well as fiction.

About two or three times a week there is a different jacket of the new books on the bulletin board. So look at these and you will get ideas of what the new books are about.

Mrs. Laura Vix, our librarian, has also been very helpful to us. Maybe some of you haven't noticed it yet, but in the library are two clipping files about countries and

NEW TEACHER

Welcome, Mrs. Billy. It's been a long time since you've seen our shining faces smiling up at you, hasn't it? Let's see, it was was back in the second grade, about eleven years ago or so. Could the reason for this gigantic jump be that you've become lonesome for your first class at Ellendale? You know, it happens once in a while in Ellendale High that one must repeat a grade - but rarely is one advanced. But you, Mrs. Billy, have made a record jump of eleven grades in one year. That's history. And we hope that is because of your attachment to us and your desire to see us safely through our last year at E.H.S. that this feat has been accomplished. But whatever your reason, Mrs. Billy, we wish you the best of luck in all you do.

Ray Shelver, shop and science teacher at the Ellendale Public High School, acquired a Master of Arts Degree in education this past summer. He has been working for his degree the past five summers at Colorado A.N.M., Fort Collins, Colorado. Mr. Shelver majored in industrial arts. He has no plans for further education at the present.

Band News

If the 8:30 classes have been disturbed the last few days, I guess the band can be blamed for it. The whole band is very happy that Mr. Melby set our band time at 8 o'clock.

Every morning - just for exercise-- the band marches out to the airport and back again, taking the "long way home". By the time we get back again, it is about 9:15 and time for the second bell to ring. Put by 9:20 or 9:55 everybody is all combed and ready for school. The most popular spot for the band when they get through marching seems to be the water fountain.

Editorial

School once again is back in full swing and the schedule is running smoothly after several adjustments during the first week or two.

Now is the time for us to decide what we are going to make of this school year. We have a clean slate before us and it is up to us as individuals whether we are going to get the most out of the year or if we are going to try to slide through.

Although school is a good place in which to make friends, associate with other people, and even have a good time, the primary purpose of going to school is to receive an education. We have to learn to evaluate each phase of school and put first things first.

The teachers are doing a fine job of putting the information across to us, but their job is only to teach us. They cannot make us learn unless we are willing. They need the best cooperation we can give them to do their job.

To learn as much as possible and evaluate what we learn should be the goal in the mind of every person attending high school. So let us remember that as we go into this school year that to be a successful student we will have to study and apply ourselves to our work. We will not get any more out of school than we put into it.

Kath Noess and Walter Heine, both 4-H members for over five years, are included in the judging team from Dickey County, which won first place in the state finals at Jamestown on September 21. This is the second consecutive year that a team from Dickey County has placed first in the state. Last year two of the senior girls,

SENIOR NEWS JUNIOR NEWS

This year 47 of us seniors took their well earned position by the windows in senior assembly. We are gradually being pushed out by our under classmen, especially by the sophomores.

The class officers for this year are as follows: president, Larry Wilbur; vice president, Ned Leiby; secretary, Shirley Aberle; treasurer, Blondell Zimmerman.

The seniors gave a 'get-acquainted' party for the junior and senior high, September 24. They have also started making plans for the fate of the sophomores-initiation. This is one day everyone looks forward to with lots of enthusiasm. Oh- for revenge.

The class is sorry to hear Cal Dathe was hurt in the La-Moure Ellendale football game. Here's for a speedy recovery, Cal; we need you on our football squad.

Fashion News

Looking around the room one can easily tell that a jewelry fad is going around. Shirley Aberle, leading off with Oriental earrings, Betty Brandenburger with her gold-leaved necklace and earring set, JoAnn Woodward with a heart-shaped bracelet from Hawaii, Beth Ashmore sporting a taped-up class ring, Karen McShane with a cameo ring.

I thought the sophomore class just had one set of twins! But do S c h o o l e r s have twins? Anyway Ethelyn and Helen had on cute outfits that were alike.

Did you notice LaPalma Tiegs' demin suit and that new purse she treasures or Barbara Pomplun's two-toned dress with the red belt? Say Carmen Phillips had a pretty blue linen skirt with white inset. Real cute, girls.

Now let's look towards the back of the room. What do we see? There are bright, dark, figured, plaid, and gaudy shirts adorned by the boys. Flashy shirts and jeans seem to rule them again this year. Speaking about flashy! How about Lowell's and Harlen's sweaters!

After school is really under way, we will have more fashions. Now I'll let you go back to your studies.

Editor's Motto

If at first you don't succeed try and try again. Then quit. There's no use being a fool about it.

1900: Wife darns husband's socks.
 1953: Wife socks darn husband.

The junior class started out the school year with a bang by electing officers on Sept. 11. Those chosen were Kenny Mattheis, president; Lorraine Pomplun, vice-president; Carolyn Pomplun, secretary; and Helen Sharp, treasurer.

We lost four of our classmates. Kenneth Franz is attending school at Harvey, North Dakota; Patsy Fradet moved to Oklahoma, and Virgil De Wald and Alvin Nicholson have dropped school.

Our grade was well represented at the 4-H Achievement Days in Cakes. Seven juniors attended.

The only girl from our class lucky enough to be chosen to be on the twirling team was Carolyn Zinter. Congratulations, Carolyn.

SOPHOMORE NEWS

The boys in the sophomore class are lucky characters this year! There are over twice as many girls as there are boys. We have a total of 52 students, the largest in the whole school. We were also lucky enough to get four new people. John Combellick, who went to school in Fargo, N.D. last year, Dennis Orrock, who has moved from Redfield, S.D.; and Duane Himmerich from Forbes, N.D., have helped out the male population considerably. Carol Caldwell, who went to school in Monango last year, is the only girl.

Gordon Pomplun was re-elected president, John Combellick vice president, Aldine Kirmis secretary and Beatrice Hokana treasurer.

If you have happened to see the sophomores walking around in a heavy daze, it isn't that they're thinking about the pajamas that some of the girls are sewing, or the clipboards that the boys are making in shop; it's just the horrible, terrible initiation that is coming up one of these days. Most of us, however, plan to live through it.

FRESHMAN NEWS

There are 30 pupils in the freshman class. About 10 pupils are from surrounding towns. The freshmen had a class meeting September 11, and elected officers as follows: president, Gail Griffin; vice president, Linda Rall; secretary and treasurer, Leland McClellan; board of directors, Bobby Neil, Don Nelson, Delbert Avery, Billy Ashmore; reporter, Maxine Gulke. The cheer leaders will be elected later.

INTERVIEWS

The famous last three rows in senior high have taken on new occupants. What became of the former occupants? Well, it seems that the N-I has the majority of them.

The graduating class of last year numbered 33, and out of the 33, 16 are attending the N-I. I learned from some of the new freshmen, that it's just like E.H.S. moved to a different building, since half of their former classmates are attending classes together.

The graduates of 1953 attending N-I are Douglas and Dulcie Bell, James Billey, LaVerne Burlingame, Evelyn Fleming, LaVerne Gerling, Angela Heine, JoAnn Kirmis, Carolyn Pierce, Joanne Retzlaff, DeForest Rall, Elden Reinke, Norman Stahlecker, Loren Tiegs, Dora Ucker, and Yvonne Mattlestad.

These last year's seniors are all in one of three courses: education, business, or junior college.

We all wish them success in any field they have chosen.

In the next issue of the Cardinal we shall find out what the 17 other graduates are doing.

4-H Achievement Days were held at Oakes, September 17, 18, 19. Besides the demonstration, judging, and public speaking contests, a dress revue and a grand showmanship contest were held.

Kenny Mattheis and Bickey Kirmis were winners in the public speaking contest. Winning this contest gives them a chance to enter the State Public Speaking Contest to be held later on.

Another high school student from Ellendale winning a trip to a state event was Sharon Oxenrider. Sharon was one of the four winners in the dress revue.

On Saturday afternoon the Oakes business men supplied entertainment for the 4-H members; they are also going to give twelve 4-H jackets to the winners in the various contests.

4-H Achievement Days are held each year to enable the members to show their projects. This year there was an especially fine line of exhibits very worth while to see.

Gossip

Say, Harley, what happened to that glamour girl from Ashley?

Beth's finger seems to have grown lately. The N-I couldn't have anything to do with a size eleven class ring, could it, Beth?

It seems as if Hagen has been telling some of the high school girls to get in by 12. Right, Wilma? Those trips to and from typing prove to be quite interesting, don't they, Harriet?

Shirley Aberle has finally found interest in a light green Plymouth with a South Dakota license.

Have you ever noticed the way Jerry Lautt spends his time in the dime store? I wonder why!

Rev Schaunaman has been keeping a certain young man with a black Mercury coupe quite busy. What's the matter? Doesn't the motor run? It always seems to be parked.

I wonder if some of the freshman and sophomore boys have recovered from the first day of school. Have you, Monte?

There is a certain gray Ford coupe that is going to be side-swiped some of these nites. Priscilla, you could tell him to park closer to the curb.

By the sparkling twinkle in Jeannie's eyes, I bet she received a letter from a certain lad in Redfield. How about it, Jeannie?

I see Chuck Bergland was with a certain Junior high girl. What's up, Chuck!

What's this we hear about Lorraine being so anxious to get the mail every day? Another one of these is H.S. What could be so interesting about letters, I wonder.

How Do You Feel As A Senior?

Jerry Lautt: "I feel like giving the sophomores the same treatment I got".

La Palma Tiegs: "I feel great".

Our School

The school plant has had quite a few improvements during the past summer, the biggest being the new water main. Now students can drink water from the fountains. The main building has been painted and repaired. Part of the building was rewired and fluorescent lighting fixtures have been installed in the small gym, shop and the first grade, which is in the old shower room in the basement of the building. The annex also has a new concrete floor. The school has been improved in many ways; let's do our best to keep it that way.

At the beginning of the year the twirling team chose eight new members. They are Dorothy Schaller, Sharron Oxenrider, June Olson, Rosemary Bobzien, Carolyn Zinter, and Shirley Aberle. The old members are Kathy Dobler, Carman Phillips, Barbara Pomplun, Helyn Schaller, and Virginia Weispfenning. Virginia Weispfenning, a sophomore, was chosen majorette.

The team plans to perform at football games and basketball games.

Six members were chosen to march with the band for the N-I Homecoming Parade. They are Virginia Weispfenning, Barbara Pomplun, Dorothy Schaller, Rosemary Bobzien, Kathy Dobler, and Shirley Aberle.

Shirley Aberle was appointed team secretary.

EIGHTH GRADE NEWS

Wednesday, twenty-six big-eyed eighth graders, walked into the Junior High Assembly and picked seats to their liking.

There are three new girls and one new boy in our class. They are Eldora Guelke, Dorinda Murray, Donna Caldwell and Jerry Brandenburger. We are very glad to welcome them to Junior High.

Instead of having class officers this year, we elected Y.C.L. officers, who will serve as class officers too. They are as follows: president, Loren Crabtree; vice president, Sharon Stahlecker; secretary, Eldora Gulke; and treasurer, Leonard Bell. We also nominated cheerleaders to try out before the faculty. Sharon Stahlecker and Katherine Robinson were elected.

We are talking quite seriously about a junior twirling team. Most of the girls are quite enthusiastic about it.

INITIATION

Photo by Ned Leiby

October 2, the day of Initiation, dawned bright and beautiful for everyone---except the sophomores. The sophomores' day was planned as follows:

8:30--They had their make-up applied in the little gym by JoAnn, Beth, Jean, Blondell, and La Palma.

9:00-11:15--This time was spent bowing to the seniors, polishing their shoes, and flattering them with dignified and respectful speeches.

11:15- 11:40-- An assembly program was held in the senior assembly. Songs praising the "Mighty Seniors" were sung by a sophomore chorus and a speech telling of the seniors' many talents and virtues was given by Gordon Pomplun. Donna Lea Smalley acted as Mistress of Ceremonies.

11:40--The parade was assembled. All the sophomores in the band played their instruments as loud as they could while hopping on first one foot and then the other. The parade was led by John Crabtree and Vickie Bender, the victims of Karen McShane.

1:15-4:00--This time was spent obeying the seniors' every wish. 4:00--The sophomores were allowed to remove their costumes and make-up.

7:30--A party was given for student in senior assembly. Many of the sophomores were asked kindly to entertain the group with little skits and such, which they very willingly agreed to do. Sylvia, Betty, and Milly gave a splendid vocal and piano rendition of "How Much Is That Doggie in the Window"

And Monty, Jon, and Jimmy Ziegler put everything they had into their performance of "Three Blind Mice". Veronica and John Eertainky wowed the audience with thier interpretation of two long-parted friends meeting.

The program was closed by an exhibition of the Bunny Hop, given by the sophomores. Lunch was served and dancing was enjoyed during the remainder of the evening.

Here is how some of the lucky sophomores were dressed: June Olson as Otto; Gary Clark as a baby; Donna Smalley in short overalls and midriff; Veronica Bender in long underwear and shorts; Gordon Pomplun in a short skirt; and Janet Rogers with balloons in her hair.

The general topic of conversation in the sophomore class is now revenge in '55'. We seniors would like to wish you luck on your "day of glory" and thank you for being such good sports on ours.

Concerning initiation, what do you think of the seniors?

Rosemary Bobzien: "I don't care much for 'Blackie' and his itchy socks."

June Olson: "They're so lovable!" Virginia Weisphehning: "Blondell, you'd better start running."

Darlene Fey: "You are great; but do you think I should keep my figure formed as it was?"

Dora Nickolson: "I think some of them were pretty cruel."

Monte Cofell: "They're all right (when they want to be.)"

STATE WINNERS

One of the junior boys, Kenny Mattheis, won the state 4-H speaking contest held at Bismark on Friday, October 2. His subject was 'Alcohol and American Youth'. The prizes he won consisted of a seventeen-jewel gold wrist watch, a 4-H warm-up jacket, and a cash prize. This achievement may lead to a trip to Chicago and a chance to enter the National speaking contest.

Kenny has received invitations to speak at Fargo, Jamestown, and Ellendale.

Bickey Kirmis, a sophomore, also won a blue ribbon at the same contest. Her subject was "The Right To Vote".

Kenny and Bickey were chosen the two representatives of Dickey County. An entrant from Dickey, Angela Heine, won the state contest last year.

Kenny says his only future ambition is to become Dairy Queen. Good luck, Kenny.

SENIORS SPONSOR PARTY

The seniors sponsored a get-acquainted party September 24, which included the freshmen class and senior high.

Barbara Pomplun, Larry Wilbur Ned Leiby, and Jo Ann Woodward, with the help of coach Isachsen and Mr. Ingvanson, led the group in an indoor track meet.

Refreshment, consisting of pop and hot dogs, were served after the track meet. Dancing until ten o'clock concluded the evening.

OAKES GAME

The Ellendale Cardinals came through for the second time last Friday, beating Oakes, 6-0. The game was a close one all the way. At the half the score was 0-0. In the last part of the third quarter Bob Jury went over for a touchdown on and end sweep. The kick for the extra point was blocked. There were some bad maments in the last quarter, when Oakes started on a rampage running down field, but Bob Jury intercepted a pass and Ellendale kept possession of the ball for the remainder of the game.

The Cardinals came out third in the conference, ahead of Enderlin and Oakes. The Oakes game was

The right kind of party has been a problem at Ellendale High School. Many different Methods have been tried and often times without much success. There were always certain groups who were not having as good a time as the rest.

But the new type of party proposed by the faculty this year seems to be a success thus far. The idea of having a variety of planned games for the first part of the evening, a stop for lunch and then a little dancing seems to overcome the age-old conflict between those who dance and those who do not care to or do not believe in dancing.

Just using this type of party however, does not mean that it is going to be a success. Probably the most important factor is careful planning. Committees must be appointed and start functioning far enough in advance so that everything is under control when the party is held. Getting something together five minutes before the party is likely to make a program that is dull and lagging. Care must also be taken to keep the mood of the crowd at its best and happiest. The program should move quickly without overdoing anything.

Another important factor that enters into making a good party is cooperation and teamwork. Everyone must work together keeping in mind that the party will be only what we make it. We must all work toward the same goal: To have a good time by providing good clean entertainment for all concerned.

EIGHTH GRADE NEWS

Dwayne Gillispie joined our class on Monday. We are very glad, Dwayne, to see you back from Bismark.

Tuesday October 21, we had a program for the YCL unit meeting. The fifth, sixth, seventh, and eighth grades took part.

Senior News

The "On The Job Training" project, new this year, has gotten off to a good start. Those participating at this time are Billy Bartels who is working at the Chevrolet garage, LaVanna Gerling, at Memorial Hospital, Harriet Schaller, Leiby's Drug Store. JoAnn Woodward, La Palma Tiegs, Barbara Pomplun, Shirley Aberle, and Beth Ashmore are working in the school office.

During the next six weeks the chief word for the seniors will be "Work", not only in subjects, but for better grades in industry and deportment.

The senior class has lost two of its members over the summer, Donna Meyers and Bernard Rowe.

SOPHOMORE NEWS

If anyone has seen a real, live salamander running around the school, will he please tell the creature to go back and face the music. He belongs to our biology classes.

The initiation that the mighty seniors gave us was generally considered 'easy'. However, there are always a few who just happen to be pet peeves of the upper-classes. These people? Well, they were not quite as fortunate. Now with initiation over, we hope, it will be very easy to really start studying.

We have lost two pupils, Janice Hasz and Duane Himmerick. This loss makes the attendance race between the sophomores and seniors much closer.

FRESHMAN NEWS

We have two new cheer leaders. They are Yvonne Hansan and Helen Beaver.

The wide-eyed freshmen all seem to be enjoying school; but for many of us, the town school proves a big change from the little one room school.

We have a lot of fun, but the strangeness is extensive in study-periods, assembly periods and test, ect.

Our ambitions are the same as those of our upper classmates, all thought you wouldn't think so. We expect to be teachers, nurses, or secretaries someday.

Calvin Back In School

Glad to have you back in school, Cal. Cal has been in the Ellendale hospital for fourteen days with torn kidney tissues as result of an injury at the Ellendale-LaMoure football game at LaMoure on September 18. It happened first of the third quarter.

Cal said he liked it in the hospital the first week, but the second week was too much for him. The food was good and Cal had all he wanted. The nurses were nice in Cal's estimation.

Chorus

This year 52 girls and 34 boys made glee club. Out of these, 31 girls and 27 boys were chosen by Mr. Winton Melby, head of the music department at Ellendale High School, for mixed chorus. The group has been working on Christmas music, which will be used in the annual Christmas program in December.

Fashion News

Winter has finally come and winter clothes are now seen on almost everyone in E.H.S.

Coach, that overcoat of yours is pretty neat.

Do you boys like the color red? Robert Schaller, Ned Leiby, Calvin Dathe, Kick Schonberger, Paul Brandenberger, Jack VanSickle and Delbert Avery are some of the boys sporting red shirts.

Bobby Neil has a pretty blue leather jacket that is really different.

White bucks are all the go by the looks of the girl's feet. Colored anklets are worn with them to match their sweaters or scarfs.

Skirts and sweaters seem to be the girls' favorites again. Karen has a pretty winterberry turtle-neck sweater and LaPalma, a brown sweater. Barbara has a yellow batwing cardigan she wears with her gray wool skirt that looks very nice. Kathy wears a cream-colored inverted box pleated skirt. Rosemary Bobzein has a pretty pink cardigan.

That's all that's new for this time. See you in the next issue with some more of the latest fashions.

Student Council

A student council has been organized this year. One of its main purposes is to promote a close relationship between the faculty and students. The council members are the class officers of the four high school classes. Larry Wilbur is the president, Kenneth Mattheis, vice-president, and Carolyn Zinter, secretary. A constitution has been drawn up.

Senior Interviews

In the last issue of the Cardinal you were informed of the sixteen members of last year's senior class who are attending N-I and what they are taking. This issue will be devoted to the other seventeen members of the class who are not attending N-I.

Lorne Bobbe and Wayne Chernay are both farming with their parents near Forbes. Frank Heitman and Mavis Aman are helping on their parents' farms near Ellendale. Norman West is farming near Fredrick with his father.

Three of the girls turned out to be teachers. They are Jean Dohler, who is teaching a rural school near Jamestown, and Matton Zanter and Avis Roetzler, who are teaching rural schools in the Ellendale vicinity.

Several are attending college other than N-I, Dawn Combellick is attending Asbury College in Kentucky, Raymond Pomplun is attending Concordia College in St. Paul, and Marilyn Hagel is taking Nurses' training at the St. Lukes in Aberdeen.

Two of the girls are hearing wedding bells. They are Luella Hall, who is now Mrs. Harold Beecher, and Connie Burrows who will become Mrs. Johnny Peldo October 31. The Beechers reside on a farm near Fullerton.

Betty Olson is clerking in the ready to wear department at Randall's.

Gary Edwards is in the Army and is stationed at Fort Leonardwood, Missouri.

Darlene Rexinger—well, she just vanished.

Library

We have five new books in the Library this week. They are the following:

"Who Walk Alone" by Perry Burgess. This book won the first prize in the National Awards. It is the story of a young American soldier who contracts leprosy. His courageous battle against disease is inspiring and heartwarming.

"The Robe" by Lloyd C. Douglas. This old favorite is the story of the soldier who tossed for Christ's robe and won.

"Elizabeth the Queen" by Marion Crawford. A warm human story of the Queen of England written by her former governess. It has many pictures of the Royal Family.

"On Being a Real Person" by Harig Emerson Pasdik. Out of twenty years of experience in dealing with everyday personal problems of everyday men and women comes this book.

"Showboat" by Edna Ferber. The story of the colorful life of the Mississippi showboat days.

the last for the Cardinals this season, and everybody was happy about the win, because the Tornados are the Cardinals' arch rivals. The fellows also wanted to win the game for Cal Dathe.

The seniors who played their last football game for E.H.S. are Harlen Stahlecker, Bob Jury, Bob Schaller, Lowell Edwards, Ned Leiby, and Jack Van Sickle. Cal Dathe, who was injured in the La-Moure game, is also a senior.

ENDERLIN GAME

The Ellendale high school Cardinals jumped into the win column and kept alive hope for a possible third place in the South-eastern football conference Friday when they whitewashed the Enderlin Eagles here, 12-0.

The game was the Cards' first victory of the season, in or out of the loop, and it gave them a record with a possibility of third place if they can duplicate the feat over Oakes this week.

Sparkling on offensive play, the Cards recovered from the defensive slump they experienced out of the conference at Leola, Oct. 9 to come up with a brand of play that had the Eagles stopped cold.

Outstanding on offense were Harley Stahlecker, whose passing arm was never better, and Bob Jury, who took care of the Cardinal running attack.

Ellendale's first counter came late in the first period when Jury went around end from the Enderlin 30 into the end zone.

In the final period Jury again went all the way from the 30 off right tackle. Neither conversion was successful.

LEOLA GAME

A definitely "down" Ellendale high school football team let a free-passing Leola Pirates squad coast to a 25-6 win Friday afternoon as the Cards journeyed out of state to find non-conference competition no easier than the loop variety.

Lacking much of the spirit that had sustained them against stronger opponents, the Cardinals ran out of gas early in the first period of the Leola contest Friday and couldn't seem to get rolling during the remainder of the game.

Ellendale tallied their sole counter late in the fourth quarter when a long pass from Harley Stahlecker to Gordy Pomplun was good for six points.

Grade News

First Grade News

There are thirty-six of us in the first grade this year. Twenty of us are girls, and sixteen, boys. Our attendance record has been very good with perfect or near perfect attendance almost every day.

We have been studying about animals and many of us have brought some very nice pictures for it.

Our room is now being decorated for Halloween. We have big black cats, Witches, jack-o-lanterns and cornstalks all around. We have also had some pretty autumn flowers and leaves.

Third grade News

We have 27 pupils in our room this year. The new students are Doreen Frank, Andy Thompson and Dewayne Miller. Dewayne and Doreen came from Montana and Andy from Underwood, North Dakota.

We had our Weekly Reader test. Gene Redlin and Charles Comstock had a high score of 53 out of a possible 60. Many of us rated close to that.

Decorations in our room are up for Halloween. We are all looking forward to our party.

Our student teachers are Diane Day and Carolyn Vandervald. They both started teaching a reading class.

Seventh Grade News

We have organized our YCL and have elected officers. They are: president, Sheila Volz; vice president, Dennis Hass; secretary, Sandra Weispfenning; treasurer, Eddie Sand reporter, Sharon Spitzer. We have decided on ten cents for every six weeks. The six weeks is almost up and tests are starting.

We have thirty pupils in our room. We have elected cheerleaders. They are Dennis Stucker, Boris Clancy, and Curtis Tiegs. They are going to start practicing in the gym.

Fourth Grade news

We are happy to be back with all of our friends again for another year.

During Fire Prevention Week the following people became Junior Fire Marshalls: Loren Coffel, Ronald Meidinger, Dickey Rowe, Joey Volz, Janice Fuhr, Judy Spitzer, Joyce Ann Orrock, Carvel Myhrum, Charles Trei, James Walsh, Richard Carlson, Bonnie McNeil, and Avis Hartman.

We have enjoyed having Miss Smith, a student from the N-I in our room this month.

Gossip

Betty B. has found new interests too. At least that's what some short, black haired guy told me.

JoAnn W. is surely seen in the post office a lot. She must be keeping the Air-Force happy.

Sylvia, what's this I hear about your finding something of interest beside the school house one morning?

Karen M. has been seen with one certain H.H. lately. This could prove to be interesting.

Kathy found a real nice bracelet with Lenard on it. Where did you get it, Kathy? Were there any more left?

I saw Millie and Sylvia behind the rose bushes the other day. Kind of late to be picking roses, isn't it?

I see La Palma had her class ring stretched. Well so did Harriet. Must be a new fad.

Chuck lost his job because it took him too long to deliver groceries at one certain place. There are more jobs, Chuck.

The twirlers in the parade Saturday seem to have had a junior shadow following them around. Do you know anything about this Dick?

Some people are wondering why certain other people are wearing their collars up in such nice weather we are having. How about it Harriet? Cold blooded or something.

What's this we've been hearing about another new romance? We're only young once aren't we, Donna Lea?

What's this about Ethelyn coming to school with two bracelets and going home with one. Would Bobby have anything to do with this?

JoAnn Woodward was hostess of a coffee party October 20, honoring Bob Schonberger. Games were conducted by Karen McShane and Roger Kendall, which were enjoyed by all. La Palma Tiegs poured while JoAnn served sandwiches.

Lee seems to be trying to prove the saying, "Gentlemen prefer blondes".

Looks like Kenny has a new hobby--standing on street corners on Saturday nights with three other people saying, "What's thereto do?"

Pat and Eddie seem to be making frequent trips to Fullerton. Couldn't be Lory and Amy, could it, boys?

Tony seems to be hanging around a certain sophomore. Any luck?

By Maryanne

On December 3, the junior class are presenting their play Clementine, a comedy in 3 acts adapted from the book by Peggy Goodin.

Clementine Kelley is definitely a tomboy. Mrs. Kelley finally cracks down and tells her she must become a lady and ask a boy to Cathy's girl-date party. Clem reluctantly asks Hank, but he accepts Cathy's invitation instead and Clem has to go with Tubby. Clem decides to show Hank and enters an oratorical contest against him.

But when she gives her winning speech, she angers Miss Pringle, who is a big influence in town elections, and Clem's father is running for mayor. When Clem realizes that she has angered Miss Pringle, she courageously sets out to sell her on Mr. Kelley's program, which she does. In doing so she also wins Hank.

FOOTBALL BANQUET

The annual football banquet was held November 9, in the little gym. It was given by the mothers of the football boys, and they really can cook! They served Swiss steak, green peas, potatoes with gravy, salad and apple pie ala mode.

The guests were Doe and Guy Lynde, Mr. Bobzien, Emory Hanson, Mr. Isachsen, Mr. Johnson, Mr. Ingvalson, and Mr. John Crabtree, guest speaker. Mr. Crabtree compared a football game to life. Mr. Johnson and Mr. Isachsen also made a few comments. Mr. Ingvalson was master of ceremonies.

Those who received letters were Harlen Stahlecker, Bob Jury, Ned Leiby, Jack VanSickle, Bob Schaller, Dick Shonburger, Lowell Edwards, Calvin Dathe, Randy Rime, Mel Avery, Jim Brandenburger, Gordon Pomplun, John Ueker, and Monty Coffel. Gus Hagen received a letter for student manager. Dick Shonburger and Mel Avery were elected next year's captains.

CARDS LOSE OPENER

The Cardinals, Coached by Cliff Isachsen, journeyed to Ashley Tuesday, November 24, for a non-conference game.

The Cardinals came out on the loser end of a 56-58 score. Both teams got off to a good start but in the second quarter the Cardinals slacked a little bit and Ashley went ahead to stay ahead most of the contest. The Cardinals put on a last-minute drive to overcome Ashley but fell short 2 points from tying the score.

Ned Leiby was high man for the Cardinals with a total of 29. C. Wahl was high point man for Ashley with a total of 23.

The Cardinals didn't have as much height as Ashley, but with determination they fought it down to the last second. This is the first game for the Cardinals and they should show improvement in games to come.

Remember!---There are only fifteen school days left until Christmas so get you work done early and really enjoy your vacation.

Cheerleaders

There were eight juniors who tried out for cheerleading: Viola Heipier, Lorraine Pomplun, Leona Schaller, Marilyn Rowe, Allen Wedell, Pat Ashmore, Margret Ashmore and Patty Ashmore. The senior class elected Patty Ashmore and Allen Wedell.

The Senior cheerleaders--- La Palma Teigs, Anna Mae Davis and Beth Ashmore---were awarded their cheerleaders' letters last week.

The girls are wearing white turtle-neck sweaters, red skirts with black lining, and saddle shoes. Allen is wearing black cords and a white turtle-neck sweater.

Halloween Party

The annual Halloween party was a grand success. Wally Young and his fine orchestra furnished music for dancing, and several other forms of entertainment were provided. The Community organization furnished lunch during intermission.

This year Cupid was slipping a little, since no new twosomes were seen. Of course all of the usual ones were there--- Betty and Ned, Dick and Dorothy, Gary and Harriet, Wilma and Marvin--- to mention just a few.

By Helen

Party Time

The seniors sponsored a dancing party November 9, honoring the football players. It was held in the little gym and included all of senior high.

Pop was served by Jack Van Sickle, Anna Mae Davis, and Barbara Pomplun.

The party closed at ten o'clock.

Editorial

For some time the high school has been faced with a serious problem. School property has been destroyed by student vandals. This is a puzzle to most people, since there seemingly is no motive for the acts and it is hard for anyone to see why a person would purposely destroy property for no reason.

Apparently no one is ever caught committing these misdemeanors and therefore the administration has no way to prevent them or to punish offenders. Several different methods of halting this school vandalism have been tried, but there are always a number of people who cannot reason along with the rest. They just continue doing the same thing taking no heed to warnings or threats. The faculty has now turned the problem over to the student body. A committee has been appointed to watch for and punish violators by any means they see fit to use.

As a student body this is our problem. The school is supported by the taxpayers, and as a result when something is destroyed the money required to replace it comes from our parents. Destroying school property is actually not much different from destroying property in our own homes.

The only way this problem can be overcome is by the complete cooperation of the entire student body. Each person must keep in mind that it is his duty to his parents and to his school to preserve rather than abuse the facilities that we have given to us to promote our education. Above all we must remember that it is only ourselves we are hurting and that any act of vandalism merely shows a lack of intelligence in the one who does it.

SENIOR NEWS

The senior English class have started their term papers. Some of the subjects chosen are countries (especially those of vital interest), religion, guns, agriculture, atomic energy, and politics. Some of the countries chosen are Russia, China, Korea, Africa, Egypt, and India.

The afternoon girls' physical class is practicing volleyball now. We plan to have a tournament among the high school girls and then prepare ourselves for the Eloie tournament. After all, we play on our own floor this year, and that new trophy case in the gym does look a little empty.

JUNIOR NEWS

We industrious juniors are in midst of work on "Clementine". In case you haven't already heard, this is the title of our play. Rumors are that it will be the best ever produced, and I wouldn't be surprised if it were.

Another money-earning project we have begun is a turkey raffle. You'll all be hearing about this soon. Of course you mighty seniors know our efforts are all for you.

What was that pleasant aroma I smelled the other morning? Do they all use scented stationery, Kenny?

We were honored by having Dr. Nichols lead an American history class discussion one day. Speaking of history class, we had and extremely unusual one the day Mrs. Vix requested that the boys sit on the sidelines and let the girls recite. Of course Jim claims that we only knew the answers because he was coaching us.

Many of the junior boys are playing basket ball this year, either on the A team of the B team. Oooh, all those groans and moans I heard after that chemistry test. If couldn't be that hard, or could it?

Sports Review

The Ellendale Cardinals are in their third week of practice and the team is showing great improvement. Though the Cardinals lack height again they have considerable speed, which will help them a lot. The Cards' have 5 returning lettermen: Ned Leiby, Robert Jury and Tony Hagel. Other members who have had a lot of experience are: Lowell Edwards, Lloyd Erdelt, Melvin Avery, Gordon Pomplun, Bob Hagen and Jim Brandenberg.

The Cardinals are missing Gary Edwards and Normen Stahlecker, two regulars from last year. Tony Hagel tore a cartilage and broke a small bone in his left hand during practice. He will be back with the Cards in two weeks.

SOPHOMORE NEWS

With the coming of basketball season many of the boys who have made the team have been studying a bit harder. Probably they figure that low marks are poor excuses for being left out. Those who made the B team are: John Combellick, Monte Cofell, John Crabtree and Gary Clarke. Gordon Pomplun has been practicing with the A squad.

Man of the Sophomore girls are occupied with twirling. Those included are Virginia Weis spinning who is the majorette, June Olson, Dorothy Schaller, Rosmary Bobzien, Sharron Oxenrider, Carol Caldwell and Helyn Schaller.

Donna Smalley, who was sixteen November 17, gave a very charming Birthday speech in English class that day. According to her speech, she feels no different than when she was fifteen.

Larry Wilbur, president of the student council, attended the state convention of student councils held at Grand Forks, North Dakota November 13 and 14.

Delegates from Edgely, Oakes, Ellendale and LaMoure were taken to the convention by Owen Johnson, principal of the school at LaMoure.

E.H. S. is now a member of the North Dakota Association of Student Councils.

Library

There are two new books in the library this week.

"A Girl of the Limberlost" by Gene Stratton Porter is the story of a young girl's heroic struggle to gain her high school education.

"Israfel, the Life and Times of Edgar Allan Poe" by Hervey Allen is a very detailed biography of this great author. The book has many illustrations.

As the Cardinal is a self supporting paper we need the cooperation of every student in the school if we are going to continue publication. Buy your Cardinal and support YOUR paper.

CARDS TOP CONFERENCE

The Ellendale Cardinals have taken over the first place spot in the southeastern basketball conference. The Cards have registered four straight wins against no defeats in conference play. The team went to Enderlin Friday night, however the results of this game were not available as we went to press.

STANDINGS

	W.	L.	Per.

LISBON GAME

The Cardinal's first conference game got off to a rather slow start. The score at the end of the first quarter was four to two in favor of Lisbon and the score at the half was eleven to eleven. Then the Cards went on to win the game thirty-four to thirty. Dick Schonberger was high with eight points, followed by Harly Stahlecker with seven. The game was as unusually poor one with both of the teams being very cold. Some of the boys said they thought there was a lid on the basket. The game was a bright point in one respect though. It was the first time that the Cards have beaten the Broncoes in about five years.

Cards 72 - Edgeley 41

In a game played at Edgeley, December 15, the Cardinals, playing good ball throughout the game, trounced the Rangers 72 - 41. The Cards hit a hot spree and scored 31 points within four minutes of the third quarter, while Edgeley scored 4 points. With a considerable lead of 27 points in the last part of the third quarter, the second string took over for the first string and held the Rangers down and stretched the margin to 31 points when the game ended.

Harlen Stahlecker was high point man with 23 points, Ned Leiby dumped in 19, Bob Jury 9, Lowell Edwards 7, Dick Schonberger 2, Melvin Avery 5, Bob Hagen 2, Jim Prandenburger 2, and Gary Clarke 2.

As Lisbon has been one of the top basketball teams in the state for several years, Ellendale High students were more than happy when the Cards downed the Broncs here on December 8. This started out what could be a very successful season. Since then Edgeley, LaMoure, and Kulm have become victims of the local squad.

Sportsmanship has been one factor that has contributed to the Card's success. In the Edgeley game as well as in some of the others there were some questioned decisions by the officials, but the Ellendale boys made up for it by good ball playing rather than arguing.

The local five have also shown us some nice teamwork. This has really paid off, especially in pulling out of the halftime slump which has been noticed in some of the games. A nice display of defence by coach Isachsen's squad has limited opponents to low scores and contributed greatly to the victories.

The spirit shown by local fans is an improvement over those of previous years. Good crowds as well as good support have created a morale for the team which has helped them greatly.

I believe that with this sportsmanship, teamwork, and support the Cardinals will go places this year. Keep up the good work, boys.

POLL

During a Student Opinion Poll taken in the American history class it was found that 27 members of the class felt that girls should prepare for a career besides homemaking.

SENIOR NEWS JUNIOR NEWS

One senior girl has blossomed out with a diamond over vacation. Jeanne Murray is the proud owner.

The afternoon girl's phy. ed. class has been divided into teams. There will be a wollyball contest between teams of the high school girls in preparation for the ELOE tournament to be held in Ellendale in March.

SOPHOMORE NEWS

Most of the sophomores of E.H.S. had a very merry vacation and a profitable one, too.

John Combellick spent his vacation in the windy city of Chicago. While he was there he saw a Broadway hit entitled "Wish You Were Here", which he enjoyed very much.

Many of the sophomores agree that Virginia Weispfenning could have gotten along without the black eye and brain concussion she received while skating on Elm Lake. She spent four days in the hospital but missed only three days of school.

The girls are learning to sew and cook in home ec. This explains the may sore thumbs and green faces among them. Most of the boys don't need to worry too much; they're bound to improve in time.

cont. from page 1

The game was a close contest the first half, 31-26. Put in the third quarter the Cards pulled out of sight.

Cards 40 - Gophers 35

The Cardinals traveled to Kulm, January 8, with a 3-0 record and came back with a 4-0 record by nipping the Gophers 40-35. The game got off to a poor start the first half, and the Cards were trailing 19-17. The second half the Cards started rolling and built up a 7 point lead, which was cut down to 5 when the game was completed.

Ned Leiby led the Cardinals with 17 points, Harlen Stahlecker 7, Bob Jury 6, Dick Schonberger 6, and Lowell Edwards 4.

Herman led the Kulm Gophers with 16 and Dickie Gross gave plenty of assistance with 10 points.

The Cards, still undefeated in conference play, will journey to Enderlin this Friday, January 15. This game will decide whether the Cards will remain in first place or will be tied with Enderlin because Enderlin has a 3-1 record, and a win would give them a 4-1 record and loss for the Cards would give them a 4-1 record.

The junior class sponsored a school party Monday, January 11.

Our two junior cheerleaders, Allen and Patty, are doing a swell job. Keep it up, kids.

All the juniors are eagerly looking forward to the semester tests. For English they are writing a long theme as part of their test.

The juniors would like to thank everyone who supported our play and come out in the storm to see it. We also would like to express our gratitude to Miss Onsurd for her hard work in directing it.

EIGHTH GRADE NEWS

January 8, the eighth graders elected for president, Lois Bell; vice president, Wayne Gillispie; treasurer, Verella Biederstedt; secretary, Janice Evans; and class reporter, Rosalie Schaller.

On January 7, we eighth graders took an English time test to see how our class ranks with other eighth grade classes our size.

Katherine Robinson hurt her arm, and she has it in a splint. I am sure that we are all wishing her speedy recovery.

English has caught us doing a lot of reading so that we will have 1200 pages reported on by January 29. A few of us have read our yearly number of pages, but have been a little slack in reporting.

INQUIRING REPORTER

A new year means New Year's resolutions. Resolutions aren't the most pleasant things to think about, but they do help (sometimes).

Here are some who've at least tried to turn over a new leaf:

Donna Kelly—"My resolution is to study harder."

Karen McShane—"To send my heart south for the winter and see if I can keep it there this time." What is she talking about?

Kenny Mattheis—"Be good to my teachers, get straight A's, and stop drinking and smoking."

Bob Jury—"I promise to get out of bed by 9:00 (just on school days)." I hope you can make it for roll call.

Lowell Edwards - "To get out of high school within two years"

Sylvia Shuldheisz - "Sleep more and eat less!"

Others seem indifferent to the idea.

Beth Ashmore - "I won't be keeping 'them' anyway." She just doesn't want to tell us what "them" are!

Mary Ann McClellan - "Why make one just to break it?"

Helen Sharp - "I didn't make one because I never keep them anyway."

FACULTY FACTS

Superintendent Attends Conference

Superintendent E. C. Ingvalson attended the regular winter conference of the North Dakota Administration in Bismarck beginning Sunday, January 31, and closing Tuesday noon, January 2.

The conference began with a vesper service on Sunday evening with a sermon by Dr. Bachman of the Bismarck Presbyterian church and special music by the Bismarck High School acapella choir.

The real work of the conference was carried on in discussion groups which were held on Monday and Tuesday morning. Topics discussed included "School Law", "Construction and Maintenance of School Buildings", and "A Balanced Program of Activities and Academic Subjects".

FACULTY DINNER

An all-faculty dinner was held Wednesday at 6:00 o'clock in the Calico Room of Hotel Ellendale. Several songs were sung and a delicious meal was enjoyed. A business session was conducted by Miss Onsrud during which current school problems were discussed.

Mr. Loren Johnson was chairman of the committee of arrangements and program. Others on the committee were Ruby Sukut, Darlene Rasmussen, and Laura Vix.

ANNOUNCE

Party

The seniors are sponsoring a party the twenty-third of February. There will be a program followed by dancing. The program committee has worked very hard gathering talent for this party. Let's support it! The talent program preceding the dancing will consist of musical numbers, both instrumental and vocal. Don't forget that date—Tuesday, the twenty-third. Let's all turn out!

LA MOURE GAME

The Cardinals traveled to La Moure, February 2, with a 6 - 0 record in conference play. They came back with a 6 - 1 record. The game got off to a poor start for the Cards with La Moure taking the lead all the way. The Cards offense and defense was the poorest it has been all year. Harlen Stahlecker was high point man with 21 points, followed by Bob Jury with 14, Lowell Edwards 3, Ned Leiby 7, and Tony Hagel 3.

EDGELEY GAME

The Cards, with a new starting lineup, left Ned Leiby and Dick Schonberger on the bench for the first half, while Tony Hagel and Bob Hagen filled in the spots. The game at the first quarter was tied up at 12-12. Then the Cards took the ball and at the half scored 34-18. The second half Ned Leiby and Dick Schonberger took their regular positions on the team. Using the fast break, the Cards got the score up to 60-26 at the third quarter. Harley Stahlecker led the Cards with 22 points. Lowell Edwards 12, Bob Jury 5, Tony Hagel 3, Bob Hagen 11, Ned Leiby 11, Dick Schonberger 1, Jim Brandenburger 1.

"I believe I will have to give longer assignments, for many of you seem to have more than enough extra time." I'm sure we have all heard these familiar words as we pass from one class room to another. Just why are they said? We should all think about them and take their cause to heart.

How many of us aimlessly wander around the halls when we have books in our desks that need to be studied. Too many of us think, "I'll get it done tomorrow during study hall. It would serve the teacher right if I don't get my lesson done; it was too long anyway!"

Just whom are we studying for? Are we here to learn for the benefit of the teachers? I should say not. We are here to work and learn so that we may make better persons of ourselves.

From now on let's take on more work than we can do, and then do it. What we get done today will be for our benefit tomorrow.

POLL

Well, girls, just in case you have been wondering how your male classmate likes you to wear your hair, I've taken a poll, asking 28 boys in senior high assembly whether they preferred long or short hair. The statistics are 7 out of 28 prefer long hair, while 21 prefer the popular short hair. Ned is one of the few who preferred long, curly black hair.

SENIOR NEWS JUNIOR NEWS

The seniors have tried various ways of making money for the senior class fund.

They have sold "Ellendale Cardinal" shirts. The boys' are sweatshirts with a zipper at the neck, and girls' are terrycloth and short sleeved, and the small children's are just plain sweatshirts. There are still a few left. Get one! They are perfect to wear to basketball games.

The seniors also had a bake sale. The proceeds were \$30.

The personal cards have arrived and everyone has been busy exchanging cards and writing in memory books.

We had a meeting to decide on class color, class flower, color of gowns and the color of the cover on the Microphone. The class colors are royal blue and silver, the class flower is the red rose, the gowns are going to be blue with white tassels, and the cover of the Microphone we sell will be tan, while the Seniors' will have white padded ones.

The seniors have also been busy having their pictures taken for the Microphone.

The juniors have started plans for the junior-senior prom. They have decided to cut down on the cost of crepe paper and spend more money for a good orchestra.

The juniors sponsored a bake sale, Saturday, February 13. As yet there is no report of the profits.

It looks as if Margaret wore Kenny's famous resistance down. Here's hoping Kay and Margaret get along.

The juniors are pretty proud of their basketball stars. It looks as if next year's team will be tops.

Most of us are eagerly waiting for our class rings. It will be interesting to see how many stay in the class.

INQUIRING REPORTER

After interviewing a few people about their future plans, I got the following information:

Gail Griffin—"I'll go to college and be a private secretary!"
 Jim Brandenburger—"I want to be a forest ranger."

Darlene Dathe—"I'll marry a rich man and be his faithful housekeeper."

Dich Buro—"I'll be the President."

Loretta Meidinger—"I'll work in Aberdeen and then take a trip around the world."

Keith Noess—"I'll become an engineer and own a big red Cadillac."

Helen Sharp—"I'll go to college and teach school."

Harlen Stahlecker—"I'll have a big farm and all that goes with it."

Florence Meyers—"I'll go to college and teach school." She also stated and I quote, "I'm not going to get married."

Bob Jury—"I plan to own a cattle farm."

Last Thursday, January 28, the freshman class enjoyed a delightful party in the little gym. Each freshman was permitted to bring a guest. Games were played and dancing was enjoyed. Delbert Avery, Billy Ashmore, and Nita Carlson were on the lunch committee. Pop and cookies were served.

The freshmen are going to be permitted to take part in a program which will be given in the evening of April 6. We expect to give you some delightful entertainment.

In home economics class we are finishing pajamas. They are very colorful and we wish we could have a style show.

Many of us have had to change desks in junior assembly. It couldn't be that we were whispering too much!

Fashion News! Senior Interviews

While letting my eyes roam about during a preliminary game a short time ago, I noticed a plaid flash race through the doors. As my eyes became accustomed to it, I saw it was Karen McSane wearing a pair of red, grey, and black plaid slacks. She also made a jacket to match. They're very pretty, Karen.

Kathey Dobler wore a pretty pink sweater, pink anklets and white bucks.

To the best of my knowledge, I'd swear the juniors only had two sets of twins. However, the other day Mel Avery and Myron Gerdon sat in front seats of the assembly wearing identical shirts.

While waiting for spring clothes to begin appearing, I'll let you return to your studies or keep your eye on the clock in eager hope of hearing the buzzer.

NEW STAFF

On January 28, the senior class elected new members to the Cardinal staff. They are Kathey Dobler, editor; Billy Bartels, assistant editor; Karen McShane, feature editor; Barbara Pomplun, senior reporter; LaPalma Tiegs, business manager; Bob Jury, sports editor; Beth Ashmore, fashion editor. Anna Mae Davis, Betty Brandenburger, LaPalma Tiegs, and Barbara Pomplun were re-elected typists.

Let's all pitch in and help support the paper. I know we all appreciate it.

I wonder why Jack is so suspicious when any girls ask him for a ride.

How was your Aberdeen date, Allen H.?

Leona Schaller, who has left school, was married to Wilbur Wolfe last week.

The question of the month: Is it five to twelve or five to one?

Seems like five boys of the senior class have discovered a new way to cut cake. Speak up, you guilty ones!

What junior boy was delayed by a policeman when his date yelled, "Officer, arrest this man"? It happened in Aberdeen, didn't it, Randy?

Leroy Flemming lost the differential on his car on the way home from the La Moure game. Did you find it?

Rumor is that Myron's parents were out of town and the party was not too hot anyway.

Anna Mae was seventeen the seventh and Darlene F. the fourth of February, also Beth and Darlene. Darlene have recently become of age.

The last six weeks the following people had perfect attendance: Richard Carlson, Loren Cofell, Maxine Edelt, Donald Lewis, Bonnie Mc Neil, Ronald Meidinger, Carvel Myhrum, Janice Puhr, Diane Schimke, Joey Volz, James Walsh and Karen Weispenning.

The Lakers, Chuckie Trei's side, won the last contest we had in our room and Janice Puhr's side gave a party for them. Janice brought an extra treat of cup cakes for us the day of the party.

Pamela Mc Greery got a high score of 59 out of a possible 60 in our weekly reader test. Carvel Myhrum and Chuckie Trei were next in line with 56.

At the present time Mavis Hartman, Bonnie Mc Neil, Gordon Morehead, Joyce Ann Orrock, Dickey Rowe, and Diane Schimke are tied in our health contest.

We have chosen new sides for another basketball contest and Joyce Ann Orrock and Jim Franz are captains. The score is 14 to 16 in favor of Jim's side.

We like the designs very much on some of our valentine boxes. Each one made his own and decorated it.

FIFTH GRADE NEWS

We are having our valentine party Friday afternoon. The class officers are planning the program. Donna Weispenning and Carole Bobzien were chosen to decorate the valentine box.

In music class we wrote words for a song. Several groups were active and brought in good results. We had a class meeting and chose Mr. Melby to select the winning lyrics. We then wrote music for our song. Sandra Volz and Bonnie Van Dyke are cutting a stencil for the mimeograph. Mrs. Sprouse has promised to publish our song in her bulletin.

Shirley A. had a pleasant surprise when her steady came back from Wisconsin a week ago.

Did you know coach was fairly good at volleyball? Well, just ask the senior girls' phy. ed. class.

To inform those that do and would even think of entering, I read that the Dog House has been shut up tight—Let's hope it stays that way!!!

What nasty senior boy hides his car behind Carnegie every day so that he doesn't have to give rides back from typing?????

SEVENTH GRADE NEWS

The girls' interest in home ec. is growing every week. Mrs. Billey makes it very interesting for the beginners in her class.

Our big interest this time of year is our basketball team. Our record is .333 against three experienced teams. We lost two very close games and won one very close game. We have three more games to play and hope to win all three of them. All of our boys are showing improvement on both offense and defense in every game.

Our Valentine party here Friday, February 12 at 2:30 P.M. and our basketball game Friday night with the sixth grade will round out this week in a big way for the seventh grade pupils. Everyone is looking forward to it.

EIGHTH GRADE NEWS

The eighth graders have been enjoying their new classes this semester.

In history, we are making reports on different things, but all on the same subject—conservation. Several of the students interviewed Mr. Strand on soil conservation and others are working on different types or reports assigned to them by Mrs. Vix.

Each of us has to read a book on North Dakota history before the 6 weeks has ended. Mrs. Vix has given us a choice of several books that we can report on.

A few of the pupils have read the amount of pages for outside reading required for the year. And others are not far behind, but are a little slack in reporting.

The girls have started phy.ed with Mr. Isachsen as instructor. We take it every Monday and Wednesday. We are getting used to it now so when we come to school on the days after phy.ed, we don't look as if we hadn't slept for a week.

Ellendale won the district tournament held here in Ellendale March 4-6 by defeating Lisbon 57-47.

A complete recapitulation of the tournament as the games were played is as follows:

Ellendale drew a bye for the first game, which does not happen very often for Ellendale.

La Moure - Oakes

In the first game Thursday afternoon LaMoure beat Oakes 67-66. It was a close game all the way up to the last second with neither team getting more than three or four points ahead.

James Janke was high point man for La Moure with 17, followed by Dave Gentzkow with 10. James Bopp and R. Montgomery, with 17 and 14 respectively, led Oakes.

Enderlin - Kulm

The second game played Thursday night was won by Enderlin 55-45. It was a well played game with Kulm playing one of its best games of the year.

W. Kaspari led Enderlin with 20 points followed by J. Jerdee with 10, while Dick Gross, with 15 and Darwin Konrad with 11, led Kulm.

Lisbon - Edgeley

The final game Thursday night was won by Lisbon 57-44. It was a hard played game up to the half. Then Lisbon went ahead without any trouble.

Ellendale - LaMoure

D. Kopp led Lisbon with 22 points followed by M. Dalos and D. Roellund with 11 each. Kaspari led Enderlin with 18 points followed by M. Foss with 15.

J. Jankey was high point man with 22 for LaMoure followed by David Twete with 15.

D. Lemmus led Enderlin with 19 points followed by D. Larson with 10.

Ellendale - Lisbon

In the final game Saturday night Ellendale won the district championship by defeating Lisbon 57-47.

Ellendale, playing a very poor first half, was behind at the half time 22-28. In the second half Ellendale seemed to be a new team by outing Lisbon 19 points to Ellendale's 35 points. The third quarter score was 43-38 with the Cards leading.

Ned Leiby led the Cards with 19 points followed by Harlen Stahlecker with 18.

Rollund was high point man for Lisbon with 13 followed by Kopp with 11.

Editorial

The first six weeks of the second semester have gone by and report cards are out. From some of the remarks I have heard and the looks on some students' faces, I have been led to believe that the marks have declined. Are we going to start to neglect our work now when there are still two more six-weeks' periods left? Think how much lower your marks will get before school is out. What would we think of our basketball team if they gave up in the third quarter just because they were behind and they knew there was just one quarter left to play?

Since the extra-curricular load has been heavier, it has served as a test to the true student. If he can continue to maintain high marks, he is worthy to be classed as a true scholar. How many of us are worthy to be classed as a true scholar?

Basketball

ENDERLIN - ELLENDALE

The game played at Ellendale Feb. 12 was won by Ellendale 54-49. It was a hard played game all the way with both teams playing very good ball.

Ned Leiby topped the Cards with 24 points, followed by Bob Jury with 13, while Foss topped Enderlin with 17 followed by Larson with 13.

Speaking of Senior News

The senior class sponsored a talent party, February 23, and it turned out to be a smashing success!

Entertainment was contributed by senior high students from the various classes.

The program consisted of musical numbers by Jeannette Smith, a quartet, a piano solo, and vocal numbers by Kenny Mattheis, Margaret Ashmore, Bicky Kermis, Jerry Lault and Donald Anderson.

Jeannette Smith played many popular numbers and the group seemed to enjoy this most, as they all sang along with her. Carol Caldwell accompanied her on the piano. Kenny Mattheis gave way with a very nice rendition of "Stranger in Paradise". Jerry Lault also sang a current pop song — "Changing Partners." Pickey Kermis won overwhelming applause with her version of "Stormy Weather." Margaret sang that ever-popular "At Dawning," while Donald Anderson closed the vocal numbers with "Down the Trail of Aching Hearts." Yvonne Hillius snapped things up with a tricky piano solo, "Twelfth Street Rag." James Zimmermann, Jerry Lault, Charles Pergland, and Donald Anderson formed the quartet which sang two numbers of which "She'll Be Coming Around the Mountain" closed with the audience. Allen Hill soloed on the clarinet with "Dark Town Strutters Fall." The party was very successful and we all want to thank Larry Wilbur for gathering the talent and Donald Anderson, who did a nice job as master of ceremonies.

LISBON - ELLENDALE

The conference championship was won by Ellendale after beating Lisbon Feb. 16 by a score of 40-37. The first half was poorly played by both teams. In the second half the Cards played much better ball. Harley Stahlecker was high point man for the Cards, followed by Ned Leiby with 12.

Hanson and Morgan topped Lisbon with 11 each.

OAKES - ELLENDALE

The game, played at Oakes, was won by Oakes 84-73. It was a hard played game with Oakes having a very high shooting percentage. Oakes led almost all the way through the game.

Ned Leiby was high point man for the Cards with 30, followed by Harley Stahlecker with 17.

Martin led Oakes with 30, followed by Montgomery with 17.

The senior girls have had a difficult time wearing what the opposite sex prefers. A petition was drawn up by the boys stating that the girls should wear skirts instead of slacks. Then the girls drew up a petition stating the boys should wear dressy clothes. I see all the girls are wearing skirts, but I don't see very many boys wearing suits and ties.

Karen McShane had some of her friends up for supper last Friday night. Those who attended were Jack Van Sickle, Robert Schaller, Anna Mae Davis, Jo Ann Woodward, La Palma Tieg, and Barbara Pomplun.

All the senior research papers have been handed in and by the looks of the pile on Miss Omsrud's desk, she will be pretty busy for a while too.

There are two girls in the senior class who have diamonds now: Jean Murray and Wilma Radke. The sixty-four dollar question now is: "Who will be next?"

The seniors have started working on the Microphone. Anyone who has any interesting picture he wants put in the year book is to contact Shirley Aberle.

The senior class would like to congratulate the basketball team on being the Conference champs and winning the District Tournament.

INQUIRING REPORTER

Because of this modern day and age, fashions are constantly changing. Everybody has his special taste in certain clothes he likes to wear. Let's find out some opinions on the subject.

Melvin Avery: "Flannel shirt and corduroy pants."

Emil Cherney: "The latest parisian fashion."

Karen Mc Shane: "To school, skirts and sweaters; anyother time give me a shirt, levis, and tennis shoes."

Marlene Schaller: "Skirts and sweaters to school; for lounging around, jeans and a plaid shirt."

Donthy Mouw: "Sweat shirt and blue jeans."

Larry Willbur: "Grass skirt, flower necklace, ukelele, and combat boots."

Eugene Uecker: "Jeans and a flashy shirt."

Barbara Pomplun: "Skirt and sweater for school, slacks after school."

Fashion News! Senior Interviews

Once again I will give you the round-up of fashions. Because of frequent changes in the weather everyone has been hanging on to skirts and sweaters.

Several pairs of grey shoes have been appearing in senior high the past few weeks. The styles seem to be either loafers or ties. For a clearer picture of the shoes contact Barbara and Anna Mae.

Wilma Radke stepped right up with some added sparkle when she was presented with a diamond last week. It's very pretty, Wilma.

The senior girls have been busy deciding on graduation clothes. The favorite color seems to be beige with olive accessories.

John Crabtree has a very sporty black corduroy shirt. Pat Ashmore's reversible jacket is very attractive also.

Karen Mc Shane did some rapid sewing Friday after school and produced a pair of aqua slacks at the same night. Very snappy in more ways than one, Karen.

That's all for this issue, with hopes that the weather will permit spring clothes to appear before too long.

The twirlers have almost finished their activities for this season. Their last performance will be their invitation to twirl at Jamestown for the regional tournament.

Of the four seniors on the team two will receive pins for four years' service. They are Carmen Phillips and Barbara Pomplun. Kathey Dobler and Shirley Aberle will receive letters.

At a meeting of the twirlers on March 9 the group elected Virginia Weisphehning and Carmen Phillips to twirl at the N. I. Music Festival.

In closing, the senior twirlers wish the team lots of luck for the next season.

SEVENTH GRADE NEWS

In home ec. class the seventh grade girls are making aprons. We enjoy it very much and everyone is doing well.

All of us are glad that six weeks tests are over for a while. We are still a little worried about our report cards that we get on Wednesday, March 10.

The basketball season is nearly over, but we plan to have one more game with the sixth grade Savages. It will be March 10 at 6:30 p.m. So far this year we have played six games. We lost two and won four.

FOURTH GRADE NEWS

We enjoyed the lyceum number by Lone Eagle very much. He told us stories and had exhibits of the things we are studying in history class.

We are very happy to welcome Leon Dahl in our room this quarter. Leon came from Valley City, North Dakota, and plans to help his father with the bread making in the bakery when he gets a little older.

Jim Franz's side won the last basketball game. Joyce Ann Orrock's side gave them a party. They had a very enjoyable program and served a delicious lunch of ice-cream and cookies. Diane Schimke and Joyce Ann Orrock brought cookies. Duane Nipstad treated us to candy that day too.

We have enjoyed other treats this past month also. James Walsh brought cookies, Sharon Robb made cup cakes and frosted them all herself and treated each one. Donald Lewis brought valentine cookies.

Our Y.C.L. has elected new officers. Leon Dahl is president, Joyce Ann Orrock, vice president, and Chucky Trie, secretary.

SECOND GRADE NEWS

The boys and girls in second grade have been studying about sun, wind, and weather. We saw a movie on weather too. We have had fun making kites and pin wheels.

Now that six weeks' tests are over we can relax and start worrying about our report card marks.

In arithmetic we are working with geometric figures, which are still mostly Greek to many of us.

When the Y.C.L. met last time, we decided to have a St. Patrick's Day party, but of course due to the last party, we have made certain decisions, so let's hope that this one will be a success.

SENIORS PRESENT CLASS PLAY

Members of the senior class broke away from the usual light comedy plays when they presented an adaptation of the well-known James Barrie story, "The Little Minister," in the high school auditorium Friday evening, April 30.

Dramatized by Roland Fernand, the play concerns the arrival of "the little minister" in the village of Thrums, Scotland, at a time when the weavers are rising against Lord Rintoul because they can't live on starvation wages.

The weavers are led by a gypsy girl, Babbie, who enlists the sympathy of "the little minister" in her cause. The latter eventually falls in love with her.

The cast is as follows:

Gavin Dishart, the minister—Lowell Edwards; Babbie—Blondell Zimmerman; Jean McFadden, the servant girl—Kathy Dobler; Mora McLaren, a neighbor woman—Harriet Mock; Lord Rintoul, a wealthy landowner—Ned Leiby; Rob Dow, a wayward fellow—Delbert Nelson; Margaret Dishart, Gavin's mother—Maryann McClellan; Dr. McQueen, the village physician—Emil Cherney; Sergeant Halliwell—Jerry Lautt; Effie, Rob Dow's daughter—Mary Elaine Crabtree; Nanny Webster, a poor woman—Shirley Aberle.

Before the play the cast presented Miss Onsrud with a corsage of red roses to show their appreciation for the time and effort she had spent directing the play.

Good News

Names of four boys and four girls who will represent Ellendale at annual Boys State and Girls State next month were released by the local American Legion post and auxiliary.

They are Kenneth and Dennis Mattheis, Richard Schonberger and Paul Hagel. James Brandenburger and Lee Roeszler were named alternates.

The girls are Helen Sharp, Margaret Ashmore, Marilyn Rowe, and Lorraine Pomplun. Kay Crabtree, Carolyn Zinter, Edith Huse, and Viola Hiepler were named Alternates.

A day filled with pleasure.

CHORUS SPRING PROM

The annual E.L.O.E. Choral Festival was held at La Moure, May 7. Professor Howell C. Rowland of the University was the guest conductor. Janice Jerve and MaryJane Green of La Moure were the accompanists. Approximately 165 students from Edgeley, LaMoure, Oakes, and Ellendale participated in the program.

The concert began with a presentation of cellars by the Scouts of Troop 65. The audience and chorus sang America. The mixed chorus sang "I Walked Today Where Jesus Walked," "Softly and Tenderly," and "Beautiful Savior." The boys' chorus sang "De Gospel Train," "Stouthearted Men," and "I-Whistle a Happy Tune." Mr. Rowland presented us with three selections: "My Dear and Only Love," "Now Sleeps the Crimson Petal," and "When I Think Upon the Maidens." "The Holy City," "Comin' Through the Rye," and "The Sidewalks of New York" were sung by the girls' chorus. The mixed chorus sang "Oklahoma," "Denkey Riding," "Battle Hymn of the Republic" and "Now the Day is Over." The program came to a close with the chorus and audience singing the "Star Spangled Banner" followed by the retirement of colors.

The Junior Senior Prom was held on Thursday evening, the thirteenth of May. The Prom theme was "Moonlight and Roses".

The decorations for the dance consisted of a brick designed crepe paper bottom with blue and white basketwoven crepe paper walls. The ceiling consisted of an oval piece of blue cheese cloth with streamers extending to the walls. Fresh spring roses decorated the walls and ceiling. Good lighting set off the decorations to carry out a beautiful theme.

The dance was formal, and the music was furnished by John Taylor and his orchestra.

Banquet Time

Junior Senior Banquet

The Junior Senior Banquet was held May thirteenth in the little gym at 6:30 p.m. Eight sophomore girls served the one hundred and hundred and three guests. They were Rosemary Bobzein, Virginia Weispfenning, Janet Rogers, Florence Meyers, Millie Weitla, Shirley Sehneder, Dora Nickolson and June Olson.

The program was headed by Kenneth Mattheis as toastmaster. The invocation was given by Miss Onsrud, songs by the quartet, welcome to seniors by Helen Sharp, response by Jack Van Sickle, solo by Kenneth Mattheis, toast to the school by Paul Hagel, response by E. C. Ingvalson, and a solo by Marjorie Gress.

The tables were decorated with green streamers running down the centers of the tables. The center pieces were made of roses and white candles.

The seniors would like to thank the juniors and congratulate their mothers on a most wonderful banquet.

This being the last issue of the Cardinal and the end of the school term just around the corner, I feel it is time to express our feelings to the guides of our tour through this school year—the teachers. We owe them both an apology and a great big thank you—an apology for the many times we have thoughtlessly talked back, avoided doing our assignments, tramped on their feelings. I'm sure when we all really think about it we are ashamed and wish we could have the chance to redo many things. For the many times they unselfishly left their own work to help us, patiently trying to teach us, and guide us along to strengthen our lives and character we extend a great big thank you.

To you kids who are coming back next year: I hope you will put to use all you have learned this year. To the seniors who are going out into the world: never forget EHS and what you have learned here.

INQUIRING REPORTER

"Should Women be Drafted?"

Kay: I don't think women should be drafted because they're needed at home.

James B: I think they should stay at home because they can't do anything in the service anyway.

Wilma R: I disagree with Brandy. I believe women can do just as much if not more than the men and better too. Besides it's an interesting career with lots of advantages.

Harriet S: I don't think they should. The women are capable of it but I think their place is in the home.

Pat A: I don't think they should be drafted because they can handle a broom better than a gun.

Lowell E: YE GADS! NO, what would the males do in their spare time, then???

(See INQUIRY on page 4.)

Don't worry about those dazed looks on the juniors' faces. It's only that our class rings have finally come and we're mighty proud of them! It seems that a few came in the wrong size and with the initials a little mixed up, but I guess that happens every year. No body seems to feel too bad about it anyway.

Did anyone hear what really happened to Kenny's arm? There were several rumors flying around, but no one knew the facts. It couldn't be that Margaret's been taking Judo????

Helen enjoyed a trip to Minneapolis over Easter vacation. She took in the Ice Follies—lucky girl. Most of the rest of us got only as far as Aberdeen.

Junior prom dates are Denny Mattheis and Kay Crabbtree; Kenny Mattheis and Margaret Ashmore; Pat Ashmore and Barbara Brandenburger; Patty Ashmore and Elden Reinke; Eddie Nishek and Mita Carlson; Randy Rime and Ethelyn Edwards; Melvii Avery and Helyn Schaller; Paul Hagel and Sherry Jury; Dick Schonberger and Dorothy Schaller; Lee Roessler and Betty Gesme.

Band News

On April 2, the Ellendale High School band under the direction of Winton S. Melty participated in the annual N-I Music Festival.

The band used Sceptor of Liberty March for a warm up number and "March Militaire" from "Symphonie Militaire" for their contest number. A top rating of superior was given the group for their work on the numbers.

The band also accompanied the two contestants from Ellendale's twirling team in the festival.

Members of the band made up ensembles and instrumental solos including a brass sextet, a cornet trio, and a clarinet duet for the festival.

On April 9, the Ellendale band as well as bands from Oakes, Lamoure, and Edgley made up a festival band for the annual ELOE Band Festival.

The mass band, directed by Prof. John W. Seale of Jamestown College, played several numbers with special numbers played by members of the various bands.

The bands last appearance during the school year will be at the graduation service, where they will play the processional and recessional.

Senior Interviews

Spring has finally sprung. Everyone seems to have spring fever and has dug out his summer clothes.

Mr. Melby's maroon and blonde shoes seem to hit a sharp note as far as footwear is concerned.

Can can petticoats are the rage in the feminine section. They help skirts appear fuller. For more information contact Jeanne and Barbara.

A few nylon shirts have appeared in study hall, which proves that in the spring a young man's fancy also turns to clothes.

The only summer jewelry to appear so far are little bunches of flowers pinned on blouses. Of course the only scent these have is that obtained via the perfume bottle.

With this I leave you, so that I may return my gaze to the fancies of spring also.

Bob Schaller appeared in a very sharp looking suit at the Choral Festival. You look real keen in it, Bob!

The prom seems to have inspired the appearance of some very pretty formals. They seem to be ankle length this year. Blue is the predominating color, followed by white, pink, yellow and green.

The senior girls have been discussing class night dresses lately. It should prove to be a regular fashion parade.

All you girls look so nice and fresh with your spring flowers on your cotton dresses and blouses.

Donald A: Well!! It depends on how you look at it. Women are not drafted to use guns, and I do not think they should be. What would we poor boys do at home with the women in the service?

Billy B: I don't believe it would hurt some girls and it might even make better persons out of them. It would develop their feminine qualities.
